Are you never skipping!?

Let's see, what should we play~
For different reason, I can't calm because of wearing this too...

やった!!
Ah
That crane game!
At the first time I played it with Himari-chan...
A...
There are too many people here, let's change the place!

There's nothing to do in a park, isn't it?
Eh, there is,
like sitting on the swing and chatting...
How about the park...
After I think again, let's not in here too!
Ha
Ah, karaoke...
"Next time, let's go to karaoke together"
...no, don't karaoke

unconciously always thingking about Himari-chan
Don't there...

Hima-chan!
If you're laaking for Nana-chan, she is absent today
Eh ?
Is Nana-chan here?
I-
...It's my fault perhaps
Nana-chan was almost never absent before, though...
As I though, because yesterday I hurt Nana-chan...
She had read my LINE but didn't reply tao
.....

Nana-chan doesn't want to meet me perhaps...
It's not like that!
Yuyu's sure Nana-chan is sick for real!
After school, let's visit her together!
...Okay

So,
at the end, where do we go?
.....
Yuyu's sure Nana-chan will be rejoiced too
Kuriyama too, why don't you eat your lunch box?
Ah, yeah
Let's eat lunch
Well, whatever

Since Shioka-kun pulled my hand and I started to run away,
I already knew
The truth is,
It's not like I want to run away
It's not like I don't want to meet Himari
and stop being friends with her
...Gomen, Shioka-kun

I just didn't have any courage to face her
Skipping doesn't suit me...

...But,
I
don't know what I should do anymore
I've been thinking when you will say that
As what I thought,
Even if I did my best,
Himari-chan chose Yuyu...
Stop being friends with that Himari-called girl?
Then, how about skipping the school?

Then, how about being with me?
You know what, Kuriyama,

One more time
you are stronger than you think you are
For one more time,
courage for moving forward
Omatase, Himari-chan!

Nana-chan's home is this way
Yeah
Yuyu wonders if she is okay~
Let's go ♡

.....Are
if they two were skipping school together today
Yuyu wonders
Why is she with Shioka-kun...
Eh, Nana-chan!?

...Perhaps,
Nana-chan prefers to be with Shioka-kun rather than with us
Even though Yuyu and Hima-chan were worrying about her this much

ひまりちゃん 返事できなくて
ごめんね。
もう一度話したいです!
I wonder
*Himari-chan, I'm sorry for not replying. I want to talk once more

why did Himari-chan wanted me to make up with Yuyu
I want to properly hear her reason
